## TOWNSVILLE'S NEW LOCAL RENEWABLE ENERGY ZONE (LREZ)

The LREZ pilot projects should provide further evidence that locally generated, stored and shared renewable energy is a key part of an equitable solution to net zero. The Townsville LREZ pilot project builds on what has been learnt to date with the Ipswich Neighbourhood Battery Trial.

## North Queensland Conservation Council Energy Champion event

Joe Niven attended the NQCC workshop which filled everyone with hope and excitement for the future of our local region and community. Supporting NQCC advocacy work on renewable energy !

# ZERO WASTE MAGNETIC ISLAND

**NEXT ZERO WASTE MEETING: 20 AUGUST, 5PM AT AMAROO**  
**Visit the ZWMI website**

## **SEALINK FATHER'S DAY EVENT** **1st September at Picnic Bay**

Zero Waste & our Climate Action Project are working with the Festival organisers to help our Magnetic Island markets in their transition to a plastic free event. A free water hydration station may be on site thanks to Townsville Council so you can refill your own water container. Bring your own picnic set too. We need you to help on the day : spread the word, bring your own refillable bottles & keep cups !

**We need help with monitoring bins, a cup library, wash station & on the MICDA stall : please ring ANIKO for more information 0400305714**

**We love our island and plastic free events & markets.**

**VOLUNTEERS NEEDED**

If you own or want to refer an island business, contact Adriana who is here to help island business send less waste to landfill and become more sustainable.

## **Your chance to lead our Zero Waste team!**

Julie Woodlock is stepping back from her role as volunteer coordinator to become a committee member. We are seeking expressions of interest for the coordinator's role for Zero Waste Magnetic Island (ZWMI). The volunteer role is supported by Julie, Aniko and the enthusiastic team of ZWMI members, involves around 10 hours a month and includes chairing meetings, overseeing ZWMI, monitoring correspondence, and liaising with MICDA.

**Please contact Julie at zerowastemi@gmail.com 0400431019**

## **DIANNE CONDYLAS OF BOOMERANG ALLIANCE & PLASTIC FREE NQ**

Island businesses are doing their part to reduce their impact with Diana's help and with Adriana and our ZWMI teams of dedicated volunteers: working together to make a difference.

# Message from our business advisors:

## GREAT THINGS ARE HAPPENING HERE

On 11th August, Tourism Events Queensland will be launching their Great Barrier Reef campaign “**Great Things are Happening Here**”, shining a spotlight on the unsung heroes of the Great Barrier Reef and the incredible initiatives undertaken by the tourism industry to protect this World Heritage-listed wonder. This campaign is focused on promoting the great things happening along the length of the Great Barrier Reef.

**Accommodation partners with sustainable stays/initiatives, restaurants that serve fresh local seafood or produce, events that celebrate the reef and other similar supporting business are encouraged to participate and share what they do to protect the reef.**

Contact [media@queensland.com](mailto:media@queensland.com) or [danielle.drazic@tel.com.au](mailto:danielle.drazic@tel.com.au) so they can share your sustainable initiatives with Media.
