

COMMUNITY CLIMATE ACTION PROJECT

TOWARDS A NET ZERO MAGNETIC ISLAND

(YUNBENUN)

TOP NEWS OF THE MONTH

CLIMATE ACTION PROJECT UPDATE

The Post Office Christmas Fair was so much fun ! Adriana (Zero Waste Business advisor) and Aniko (climate action project coordinator) enjoyed chatting to island community members. There was a lot of interest around our energy & waste strategy as well as the great work that MICDA does for our community.

WISHING ALL OUR CLIMATE ACTION CHAMPIONS & SUPPORTERS A SAFE & SUSTAINABLE CHRISTMAS

TOTALLY RENEWABLE MAGNETIC

ZERO WASTE BUSINESS UPDATE

Adriana worked with Alan Patterson and PharmaCycle to get a Recycle Bin for blister & webster packs up and running at the MI Pharmacy. Adriana could not have done this without the support of our Zero Waste volunteers. We have already received great feedback from our community.
